

About the InvestmentLeaders.Club

The Global Investment Leaders Club is the largest club of investors and leaders of the family offices who actively deploy capital today.

The Club comprises over a thousand active investors who own and manage assets worth over \$75 billion dollars. These are the leaders of the family offices, investment companies, asset management groups and private investors. It is an international investment community covering the Americas, Asia, Europe, the UK and the Middle East.

Investors gather on a regular basis at the Club sessions to meet the founders of serious companies and promising startups to discover interesting opportunities to invest in.

It is a great place for entrepreneurs who are looking for capital. At the club founders can introduce their companies directly to investors, quickly raise capital and find strategic partners.

3 hours private session with a dozen investors

**Interactive presentation at the Co-investment Atrium
and warm one-to-one meetings with interested investors**

Do you have a company that requires an individual approach and significant funding? Then you need a special ambiance to deliver all the advantages and nuances of your project to a group of serious investors who are interested in it.

A dedicated club assistant will personally send a teaser of your project to prospective investors and provide further assistance with the preparation of the event. A dozen investors who have confirmed their interest in your project and have a capacity to invest in your company are invited.

At the Co-investment Atrium

- All 3 hours are centred around your company:**
 - 1 round: presentation of your project to all attending investors and Q&A session about your company with investors;**
 - 2 round: investors express their opinions and interest to invest. They also offer support of your company's growth with additional resources - connections, clients, technologies and many more;**
 - 3 round: one-to-one meetings with interested investors on the spot;**
 - You get everyone's contact information for a proper follow-up;**
- You get funded!**

Cost \$9000
